SUMMARY

Motivated Computer Science student at PMAS ARID Rawalpindi, with a strong foundation in programming and a passion for applying technical knowledge to real-world projects. Proficient in Java, C++, and Kotlin, with hands-on experience developing small-scale applications. Skilled in data structures, algorithms, and object-oriented programming (OOP), I've successfully balanced academic achievements and personal growth while continuously seeking opportunities to expand my technical expertise and contribute to innovative tech solutions.
